South Jersey Mechanical Contractors Association

June 2006

**Education Seminar**  
**Winning the Change Order Game**  
**Well worth the Time**

Good information, good exchange of ideas, good seminar were the spoken words of those that attended "Winning the Change Order Game" June 1 at Scotland Run. The instructor Kirk Alter from Purdue University's Construction Management program designed a topic directed to Mechanical and Electrical contractors to help improve their understanding of the Change Order Game. Kirk also provided some written tools to use that helps establish our costs that should be included in the change order.

Kirk Alter has won a Fullbright Scholarship that will take him to lecture in Europe for the next twelve months

**First Aid/CPR course**  
**June 15 Thursday 4-8PM Wyndham Hotel Mt Laurel**
