SJMCA ANNUAL SCHOLARSHIP FOR EMPLOYEES OF ASSOCIATE MEMBERS

Beginning in 2023, the South Jersey Mechanical Contractors Association accepts applications for a \$1,000 scholarship aimed at Graduating High School Children and/or Grandchildren of the Association's Associate Membership (Non-Contractor Members). Each year the deadline for applications will be March 31st.

Tragically, in 2024 Steven A Berkowitz, a dedicated Board Member, representing our Associate Members passed away unexpectedly. For 19 years he served diligently on our Board, lending his expertise both as a lawyer and mechanical engineer. He formed lasting connections as a friend to many within our Association. Mr. Berkowitz was a strong supporter of fairness in union contracting. His dedication to making sure public bidding followed the rules and his determination to call out unfair practices made him a real leader in our industry.

In remembrance of Steve's remarkable legacy, it is important to acknowledge that he was an organ donor, positively impacting the lives of 5 individuals through his selfless act. We are deeply honored to perpetuate his spirit of generosity through this annual scholarship initiative.

Candidates will be evaluated on character, academic performance, extracurricular activities and community service.
